## Contact The Owner of a Parked vehicle, With **Privacy!**

No Special APP is Required, Contact Details  
are not Shared and can be used for  
emergency situations.

# The Problem

When we park our vehicle in public places, there is no way anyone can contact us if the vehicle is creating any issue.

We can leave our contact details, But We don't as its tedious and not so privacy focused.

# What **Situations** can cause to contact the vehicle owners.

## Vehicle **blocking** someone's exit.

Most common problem in india is we park in front of people's house and shops.

---

## Creating **Traffic**

Due to wrong parking, the vehicle may cause slow or completely jam the traffic.

---

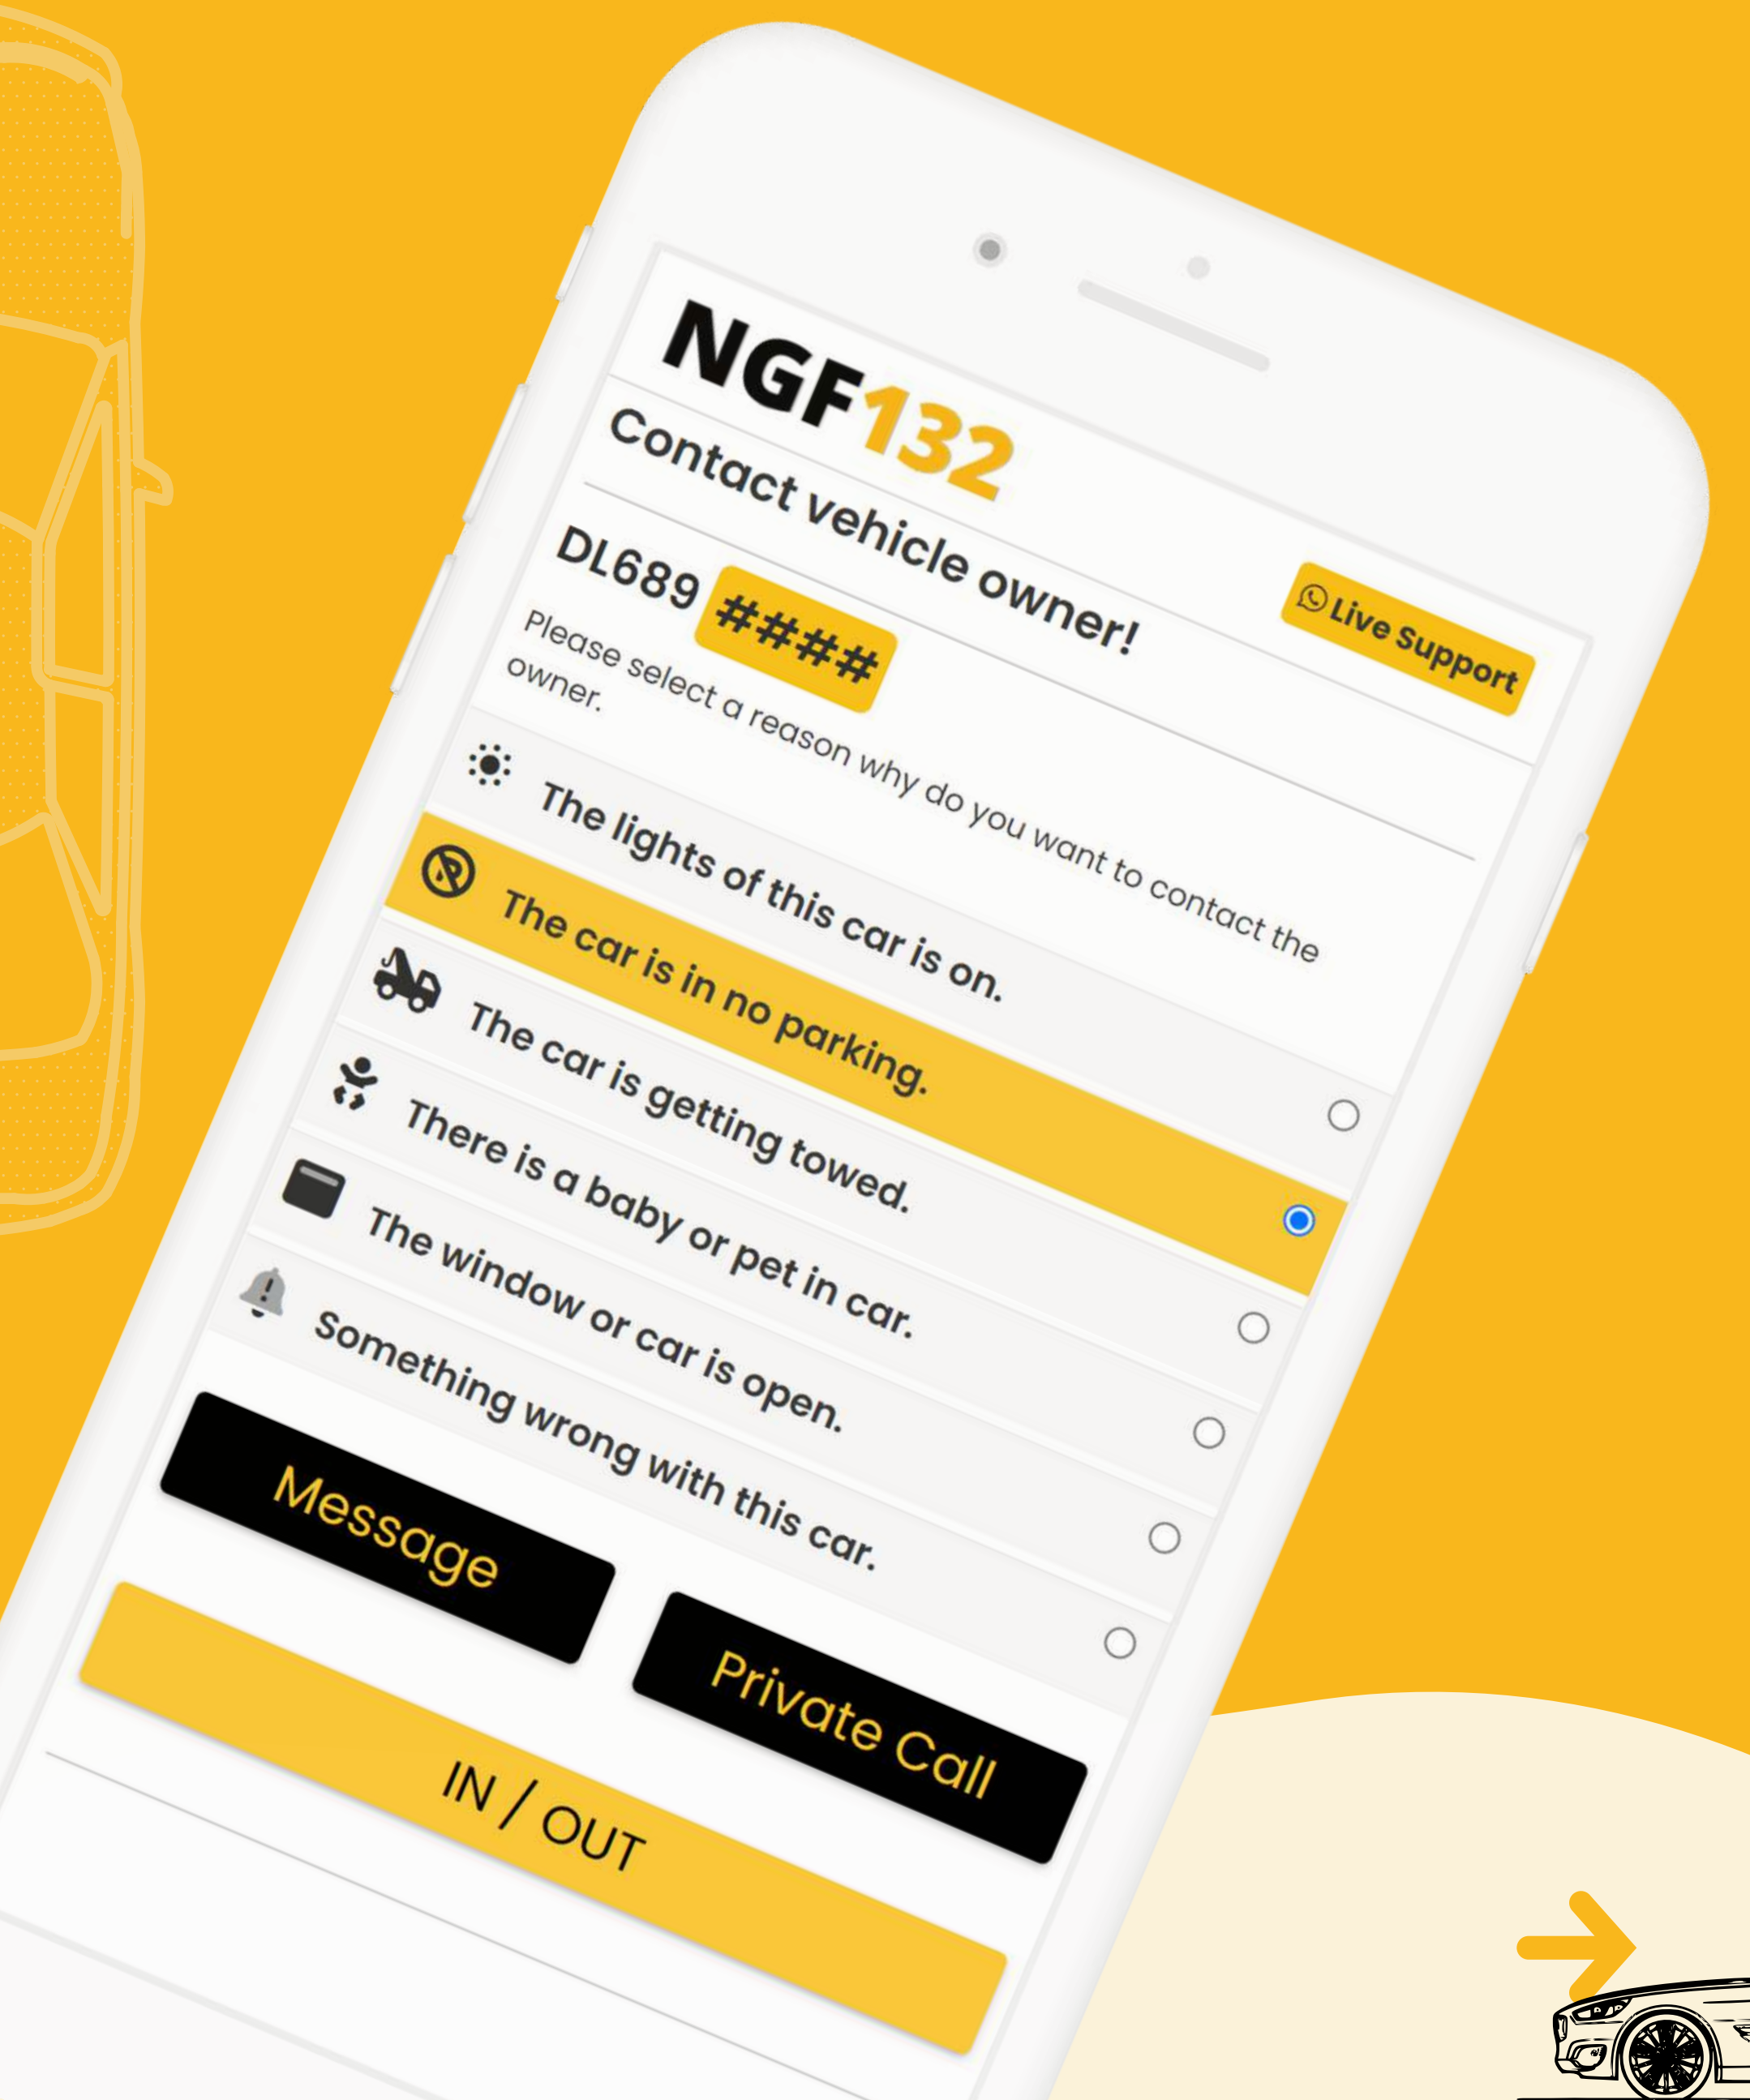

## **Issue** with the vehicle

there may be any emergency issue with the vehicle like fire, oil leakage or Window / light open which may cause battery drain.

# The Simple Solution.

We have developed a Simple solution for most common and ignored problem.

# What **More** We have with the Tag?

## **Contact Vehicle Owner.**

The Most important and core feature is people can contact vehicle owner with this Tag. While Keeping privacy.

---

## **Add Emergency Contact.**

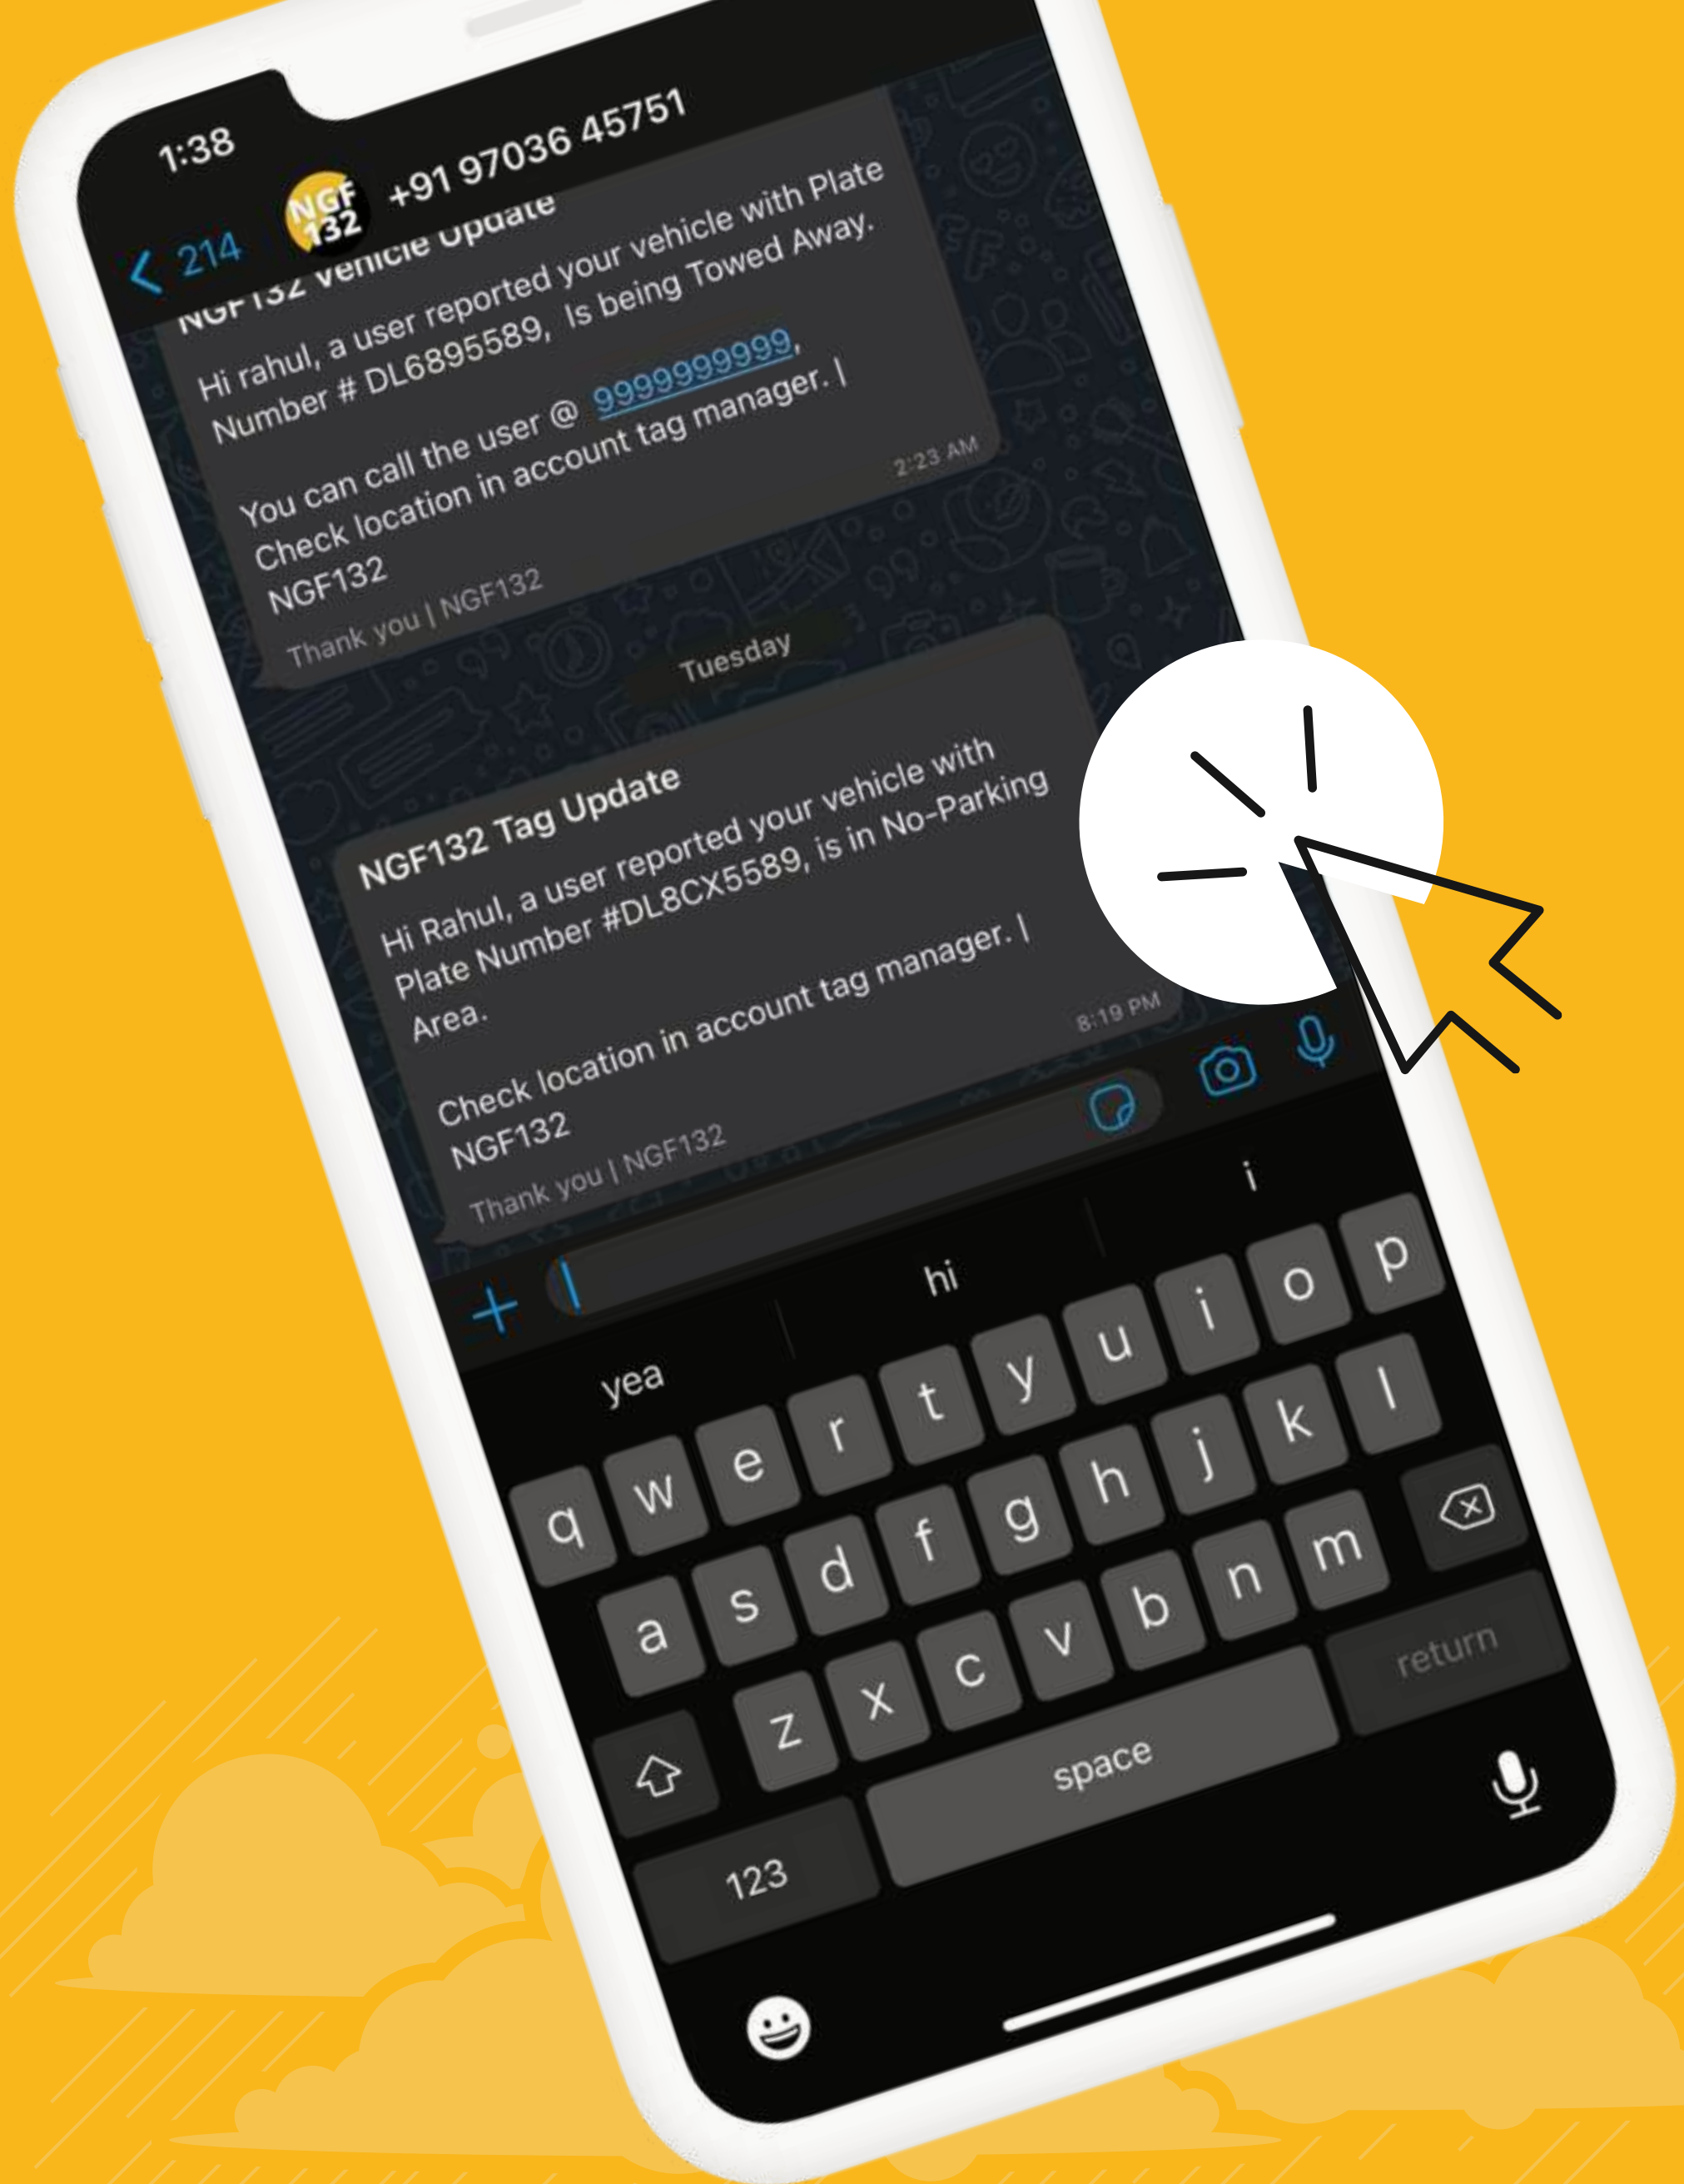

Vehicle Owners can add emergency contact details in the tag, which can be accessed when in need.

---

## **Vehicle Entry logs.**

Business owners, Parking and residential societies can manage vehicle logs using the same Tag.

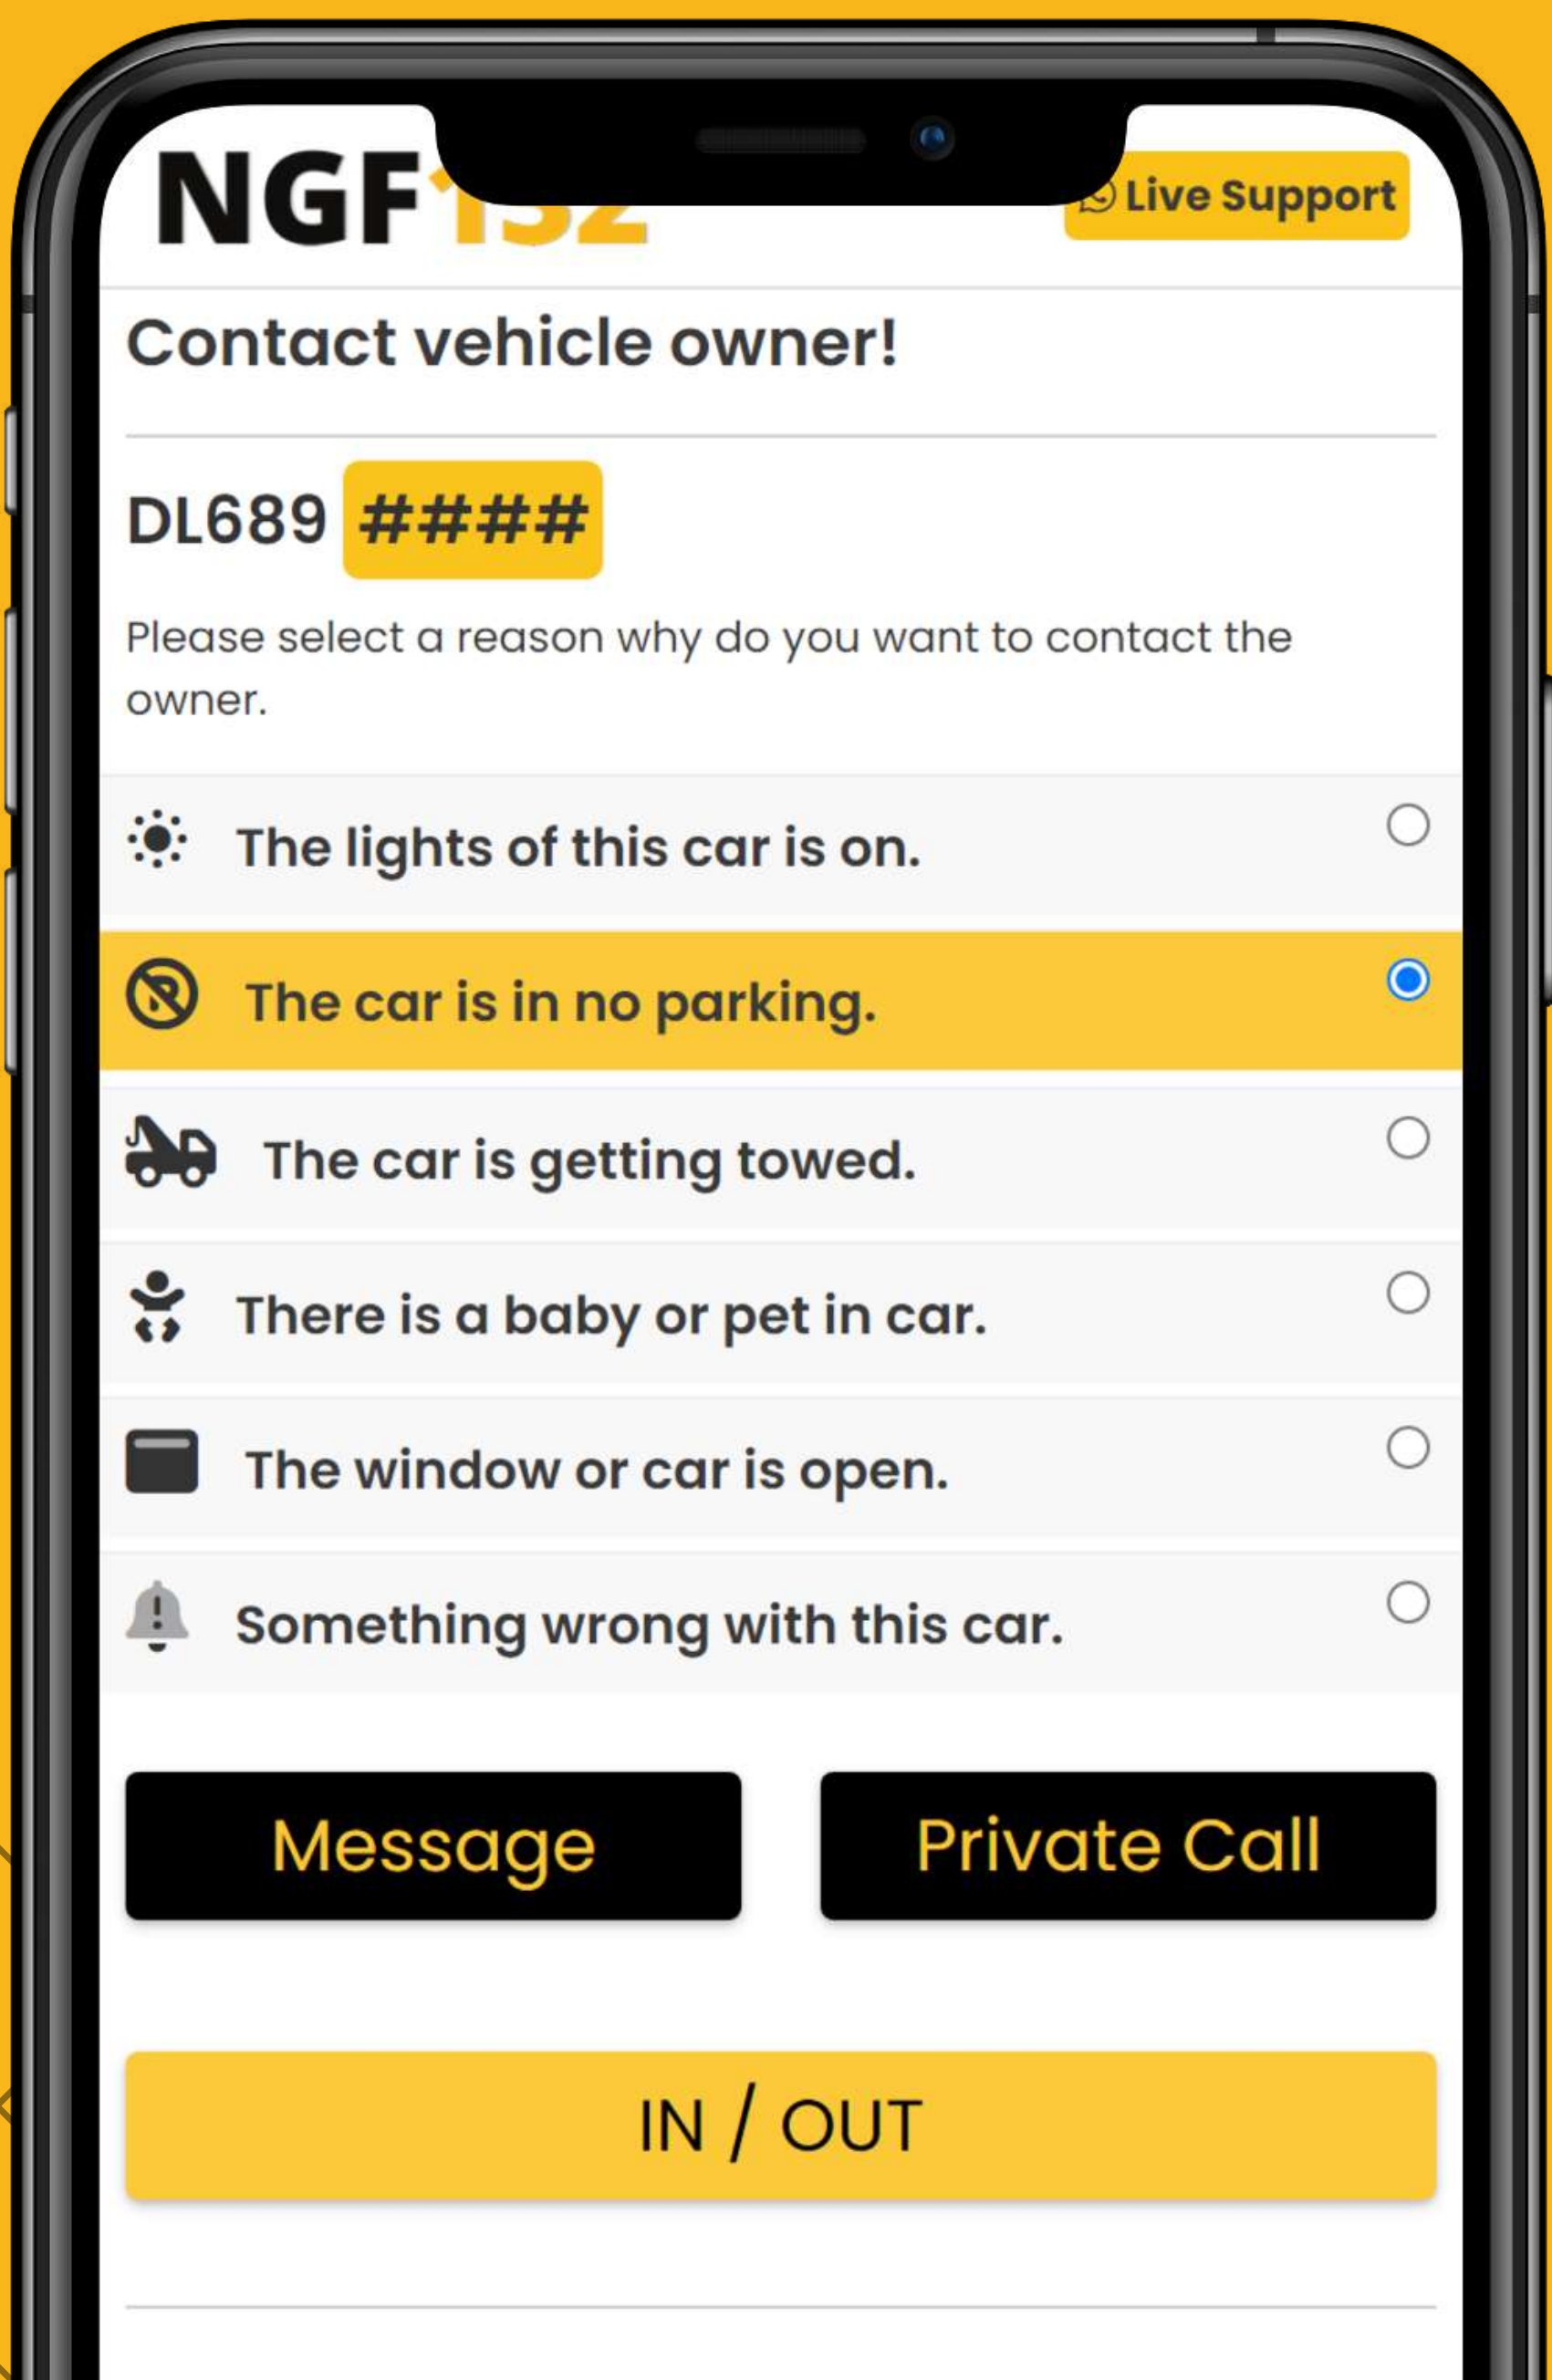

# Get updates on WhatsApp and SMS.

We will send updates on your WhatsApp, SMS and Also in APP Notification. People can also make you a Masked Call.

# How to contact the vehicle owner ?
